ABOUT THE MEETING

What Items are on the Agenda for the Annual Meeting and How Many Votes are Required for Approval of Each? Assuming a quorum is present, the proposals on the agenda required vote for approval of each is as follows:

<i>Agenda Item</i>	<i>Votes Required for Approval</i>
1. Election of four directors.	The four candidates who receive the most votes are elected.
2. To approve the appointment of KPMG LLP as independent public accountants for the Fiscal Year ending December 31, 2003.	Majority of the shares voted.

Who is Permitted to Vote at the Annual Meeting? You are entitled to vote at the Annual Meeting if you owned common stock of TCF Financial ("TCF Stock") on February 24, 2003 (the "Record Date"). Each share of stock you own as of the Record Date entitles you to one vote on each proposal at the Annual Meeting. There were 73,452,833 shares of TCF Stock outstanding as of the Record Date. There were 10,980 individuals and organizations that owned TCF Stock of record as of that date.

How do I (as a Shareholder) Vote? You can vote at this time (in advance of the Meeting) by naming a proxy to vote your shares. (You can also vote at Meeting by written ballot, although this is rare.) You have three options for voting at this time: (1) by Internet; (2) by telephone; or (3) by mail. If you want to vote by Internet or telephone, follow the instructions on your enclosed proxy card. Under Delaware law, a proxy may be validly provided by internet as long as it can be determined that it was authorized by the stockholder. If you want to vote by mail, please mark the enclosed proxy card(s) with your instructions and then sign, date and return the card(s) to us in the enclosed return addressed envelope. To avoid confusion, please do not vote both by Internet or telephone and mail. When you vote before the Meeting, you do so by giving someone else your "proxy" to vote in your place. The persons who will vote the proxies for this Meeting are William A. Cooper and/or Gregory J. Pulles, the Chairman and Vice Chairman of TCF Financial, respectively. They will vote your shares as "for," "against," "abstain," etc., on each proposal as you instruct them to. If you do not give any instructions they will vote "for" electing all nominees and "for" approving KPMG LLP as independent public accountants for the fiscal year ending December 31, 2003. If any

other business comes before the Meeting (and on certain other matters listed on the accompanying proxy card), they will vote your proxy according to their own judgment.

Once I have Voted My Proxy, May I Revoke it? Yes, your proxy is revocable and is automatically revoked if you submit a new vote. You can vote your shares at the Meeting by using the written ballots available at the Meeting, even if you voted them in advance by proxy. If you intend to vote at the Meeting and your shares are held in "street name" by a stock brokerage firm, you should contact your stock broker ahead of time to determine what procedures to follow.

Who Pays for the Expenses of This Proxy Solicitation? Solicitation is being done by mail and through assistance of a professional solicitor, Innisfree M & A Incorporated ("Innisfree"). Innisfree's contract provides its fees will be \$13,000. TCF Financial is paying all costs of solicitation.

Will My Broker Vote My Shares if I Do Not Vote? Yes, but only if your shares are held in the brokerage firm's account (in "street name") rather than in the form of certificates. Under the rules of the New York Stock Exchange, Inc. ("NYSE"), brokers who hold shares in street name have the authority to vote shares for which they do not receive instructions on all of the proposals at this Annual Meeting. If you wish to vote shares held in street name at the Meeting, you should contact your broker before the Meeting to determine the procedures to follow.

How is a Quorum Determined? At least 50% of the TCF Stock outstanding as of the Record Date must be present at the Annual Meeting in order to have a quorum. Brokerages of your shares are counted toward the quorum requirement. If you vote by proxy before the Meeting or decide to abstain on one or more proposals, you are counted as being present at the Meeting and your vote counts toward the quorum requirement even though your shares are not voted for the proposal(s).

May Shareholders Submit Proposals or Nominate Directors This Meeting? The deadline for submitting proposals or nominations was February 22, 2003, ten days after TCF Financial provided public notice of the Annual Meeting date. No shareholder nominations or proposals were submitted by that date.

By When Must Shareholders Submit Proposals or Nominate Directors for Next Year's Meeting? See page 22 of this proxy statement.

The Audit/Asset Quality Committee was renamed as the Audit Committee and its charter revised to the form attached as Appendix A to this proxy statement. The De Novo Banking Committee assumed Shareholder Relations duties (see below) and was renamed as the Shareholder Relations/De Novo Expansion Committee. The Personnel/Shareholder Relations Committee was renamed as the Compensation/Nominating/Corporate Governance Committee ("Compensation Committee") and assumed the additional duties of the Nominating Committee and of governance, while Shareholder Relations duties were transferred to the De Novo Banking Committee. The Compensation Committee had one meeting in 2002, which is included in the chart above as a meeting of the Personnel/Shareholder Relations Committee. Membership on the Compensation Committee was the same as shown above for the Personnel/Shareholder Relations Committee except that Thomas J. McGough is the Chair of the Committee and Ralph Strangis is not a member.

During 2002 all directors attended at least 75% of meetings (Committee and Board combined) except for Mr. Burwell.

Business Transactions, Loans or Other Relationships Between TCF Financial and its Directors or Officers (Including Compensation Committee Interlocks and Insider Participation). Mr. Strangis is a member of the law firm of Kaplan, Strangis and Kaplan, P.A. Fees paid to the law firm did not exceed 5% of its gross revenues (or of TCF Financial's gross revenues). TCF Financial believes that the fees charged by this law firm for the services provided were at market rates and were not affected by Mr. Strangis' position as a director.

In 2002 TCF National Bank, a subsidiary of TCF Financial, had various corporate term loans, corporate lines of credit, commercial real estate loans and a letter of credit outstanding to companies associated with Mr. Bieber, Mr. Schwalbach, and Mr. Burwell. All loans to Mr. Bieber's, Mr. Schwalbach's, and Mr. Burwell's companies were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectability or present other unfavorable features. During 2002, TCF National Bank and/or its wholly owned subsidiary mortgage corporation, TCF Mortgage Corporation, had outstanding residential mortgage loans to certain family members of directors and executive officers. All such loans were made in the ordinary course of

business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public, and did not involve more than the normal risk of collectability or present other unfavorable features. During part of 2002, TCF Financial had certain loans outstanding to accounts of executives in the Executive Deferred Compensation Plan and to directors' accounts in the Directors Deferred Compensation Plan. These loans were fully repaid in 2002 and are no longer outstanding. See pages 8 and 14 for details. In 2002 a subsidiary of TCF Financial Corporation, Winthrop Resources Corporation, had a direct financing lease with Castle Creek Capital LLC, a company affiliated with John M. Eggemeyer III. The lease was made in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable transactions with the general public and did not involve more than the normal risk of collectability or present other unfavorable features. The largest balance outstanding on the lease in 2002 was \$134,237. The outstanding balance on December 31, 2002 was \$63,617. The lease does not carry a specific interest rate.

Director Independence/Corporate Governance. In January 2003 the Board adopted Corporate Governance Guidelines. A copy of the Guidelines is available from the Corporate Secretary at the address on page 1 of this proxy statement. The Guidelines provide that the composition of the Board of Directors and Committees of the Board will meet all requirements of the NYSE and SEC and that the Company may adopt specific guidelines to implement those requirements once they are finalized. The Company has evaluated the independence of the directors currently on the Board and currently serving on the Audit Committee and the Compensation/Nominating/Corporate Governance Committee and has determined that all current NYSE and SEC requirements are satisfied.

Director Nominating Committee. During 2002, the Personnel/Shareholder Relations Committee nominated directors for election to the Board. This Committee consisted entirely of non-management directors. Effective with the Committee restructuring in October 2002, the Compensation/Nominating/Corporate Governance Committee makes such nominations. This Committee also consists entirely of non-management directors. Shareholders may submit nominations to the Committee for consideration prior to the deadlines set forth on page 22. Any such nomination should include the information specified in Article II, section 13 of the Bylaws, a copy of which may be obtained from the Corporate Secretary at the address on page 1 of this proxy statement. Any nominations may be mailed (we recommend by certified mail) to the attention of the Compensation/Nominating/Corporate Governance Committee c/o TCF Financial's Corporate Secretary at the address on page 1.

COMPENSATION OF DIRECTORS

- Employee (“inside”) directors receive no pay for Board service.
- Non-employee directors are paid in cash and with stock grants.
- Cash compensation (which may be deferred and invested in TCF Stock):
 - Annual Retainer-\$20,000; Committee Chairs will receive an additional \$20,000 annual retainer fee effective in 2003
 - Board Meetings-\$700/meeting; \$1,000 effective in 2003
 - Committee Meetings-\$300/meeting (\$500 if Committee Chair); effective in 2003, meeting fees will increase to \$500 for members and chairs, except that the Audit Committee amount will be \$1,000
- Stock grants:
 - Periodically, but not more often than every three years, directors receive TCF Stock grants equal to three times their annual base retainer: (excludes higher retainer for committee chairpersons) ($\$20,000 \times 3 = \$60,000$).
 - The number of shares granted is determined by dividing three times the annual retainer fee by the price of TCF Stock on the grant date.
 - For grants made before 2003, one-third of the shares vest in each year that TCF Financial’s return on equity exceeds 15%. Starting with grants made in 2003, one-third of the shares will vest in each year that TCF Financial’s return on tangible equity exceeds 20%.

- Directors’ Retirement Plan:
 - Directors with five or more years of service receive a retirement benefit.
 - After five years directors are 50% vested with an additional 10% per year until the tenth year when they are 100% vested. The amount of the annual benefits is the vested percentage times the annual board retainer (currently \$20,000) in effect at retirement.
 - Benefits vest if a change in control occurs.
 - The benefit is paid for a number of years equal to the director’s length of service on the Board.
- Indemnification rights are provided to directors under TCF Financial’s Articles of Incorporation and Bylaws, to the extent authorized under Delaware General Corporation Law.

REPORT OF COMPENSATION/NOMINATING/CORPORATE GOVERNANCE COMMITTEE

This Report identifies how the TCF Financial executives named in the Summary Compensation Table on page 17 are paid and why. The “Summary Compensation Table” is a chart showing compensation for the last three years of the Chief Executive Officer of TCF Financial and the four highest paid executives of TCF Financial or its significant subsidiaries (the “named executives”).

How Are Executive Officers Paid? TCF Financial compensates its executive officers in three ways: base compensation, cash bonus, and Performance Stock grants or stock options.

Base Compensation. The Compensation/Nominating/Corporate Governance Committee (the “Committee” or “Compensation Committee”) of the Board periodically reviews base compensation. This Committee is the successor to the Personnel/Shareholder Relations Committee as a result of a Board Committee restructuring in October of 2002 (see page 6). Board members are encouraged to attend Committee meetings. The Chairman of the Board makes recommendations to the Committee for each of the executive officers other than himself. The Committee generally requests advice from its outside consultant, Towers Perrin, before it makes any significant adjustment to overall base compensation for the executive group. The Committee does not tie its base compensation decisions to any particular formulas, measurements or criteria, but members particularly take into account the Company’s performance and compensation levels paid by competitors. The Committee did not increase base compensation for Mr. Cooper or any of the named executives for 2003. Effective January 1, 2002, the Committee increased the base compensation for Mr. Nagorske, Mr. Pulles, Mr. Winslow, and Mr. Brown to reflect the assumption of additional duties.

Annual Cash Bonus - 2002 and 2003. For 2002 and 2003 the Committee approved a cash bonus plan for TCF Financial’s executives based on diluted earnings per share (“EPS”). Following are the EPS goals and bonus percentages that were approved for TCF Financial executives for 2002 and 2003:

2002 Goals

Diluted EPS	\$2.80	\$3.00	\$3.05	\$3.10	\$3.15
% of Salary Bonus	0%	50%	100%	150%	200%

2003 Goals

Diluted EPS	\$3.15	\$3.35	\$3.40	\$3.50	\$3.60
% of Salary Bonus	0%	50%	100%	150%	200%

Bonuses are interpolated for results between the stated goals. The Committee reserves the right to determine that a lower (or no) bonus should be paid if in its sole discretion it considers such action warranted. TCF Financial’s diluted EPS performance for 2002, calculated pursuant to the plan, was \$3.15, resulting in a bonus percentage of 200%, which the Committee approved. This bonus qualified as performance-based compensation under section 162(m) of the Internal Revenue Code (the “Code”).

Performance-Related Stock Grants. The Committee has made several performance-related stock grants to executives. The most recent such performance-related stock grant was made in early 2000 (the “Year 2000 Performance Stock Awards”).

The Year 2000 Performance Stock Awards consist of grants aggregating 1,071,120 shares in total (1.3% of TCF Financial’s outstanding shares as of the initial grant date) to fourteen members of TCF Financial’s executive management. The shares will vest only upon the achievement of designated future annual cash earnings per share (“Cash EPS”) goals and thus qualify as performance-based compensation under Section 162(m) of the Code. (Cash EPS is diluted EPS, adjusted to eliminate the after-tax impact of the amortization and other adjustments to goodwill and other intangible assets acquired in business combinations.) Fifty percent of the shares vest on January 1st of the year following the year in which TCF Financial achieves an annual Cash EPS goal of \$3.71 per share (a 75% increase over the base year, 1999, Cash EPS of \$2.12). The other fifty percent vests on January 1st of the year following the year in which TCF Financial achieves an annual Cash EPS goal of \$4.24 per share (a 100% increase over the base year, 1999, Cash EPS of \$2.12). Until the first 50% of the shares vest, dividends paid on the Performance Stock grant are paid at one-half the rate of dividends paid to shareholders generally. The award calls for all shares not vested on the basis of performance by year-end 2007 to be forfeited. As of the end of 2002, TCF Financial’s Cash EPS for purposes of the Year 2000 Performance Stock Awards was \$3.17.

The following graph indicates the progress realized to date toward the goals for vesting the Year 2000 Performance Stock Awards:

Generally, the individuals must remain employed with TCF Financial through 2007 (or, if earlier, the January 1st after a goal is met) in order to receive the shares. However, in the event of retirement or certain other events, a portion of the shares is retained (not forfeited) subject to potential future vesting in the event one or both goals are met. The portion of the grant retained upon retirement is based on the pro-rata percentage of the goal achieved through the end of the fiscal year closest to retirement.

The Committee believes that these Performance Stock grants will incent management to achieve these long-term Cash EPS goals and will serve as a vehicle to retain senior management. The Committee anticipates that further stock grants to this group of executive management will be considered when the results needed for vesting of the current performance-based grants are expected to be achieved.

Executive Deferred Compensation Plan Loans and Directors Deferred Compensation Plan Loans. In May 2002, certain loans related to accounts in the Executive Deferred Compensation Plan were fully repaid from the accounts as follows: Mr. Cooper, \$5,017,637.78; Mr. Nagorske, \$102,247.18; Mr. Pulles, \$771,239.68; Mr. Winslow, \$746,410.66; and Mr. Brown, \$382,249.83. These loans had been previously reported in TCF Financial’s proxy statements. The Plan was then amended to prohibit any new leveraging. Likewise, loans to directors’ accounts in their deferred plan were fully repaid and further leveraging prohibited. See page 8.

Compensation Philosophy. TCF Financial has a compensation philosophy statement which the Committee considers in all of its compensation decisions. This statement was adopted in 1993 and remains essentially unchanged since then.

The main goal of the compensation philosophy is to link a substantial portion of executive compensation to the profitability of the Company. The Committee achieves this goal by tying substantial stock awards and an annual bonus to what it believes is the most significant measure of profitability: EPS. The goals for both the stock awards and annual bonuses are based on substantial increases in EPS performance. The Committee believes that EPS is an appropriate measure of long-term performance that will encourage management to pursue business opportunities that are in the long-term best interests of the Company’s shareholders.

A second goal of the compensation philosophy is to attract and retain highly competent executives. The Committee achieves this objective by setting base compensation and incentives at competitive levels, and by awarding substantial Performance Stock awards. Thus, the Year 2000 Performance Stock Awards have two vesting goals, with

only fifty percent of the shares earned upon achievement of the first goal. Also, the goals have been set at a high standard – a 75% increase and a 100% increase in Cash EPS. Annually, the Committee reviews compensation paid by a selected peer group (for 2002, the thirty banks and thrifts closest to TCF Financial in asset size, as of September 30, 2002) and TCF Financial's performance as compared to the same peer group. The Committee intends to pay at the high end of the compensation scale, but only if the Company achieves financial performance at the high end of the peer group. The Company ranked 3rd in combined performance out of the selected peer group companies in 2002 (2001 performance), 1st in 2001 (2000 performance), 1st in 2000 (1999 performance), and 15th in 1999 (1998 performance). The TCF Financial Stock Performance Chart on page 16 shows the TCF Financial stock performance in chart form. Members of the current peer group are listed in the footnotes to the chart.

Although the Committee intends that compensation generally will either be performance-based or deferred, as necessary, such that compensation does not exceed the tax deduction limits of the Code, the Company in its discretion may pay compensation that is non-tax deductible in appropriate circumstances.

The Committee believes that the Company's compensation philosophy has been generally successful.

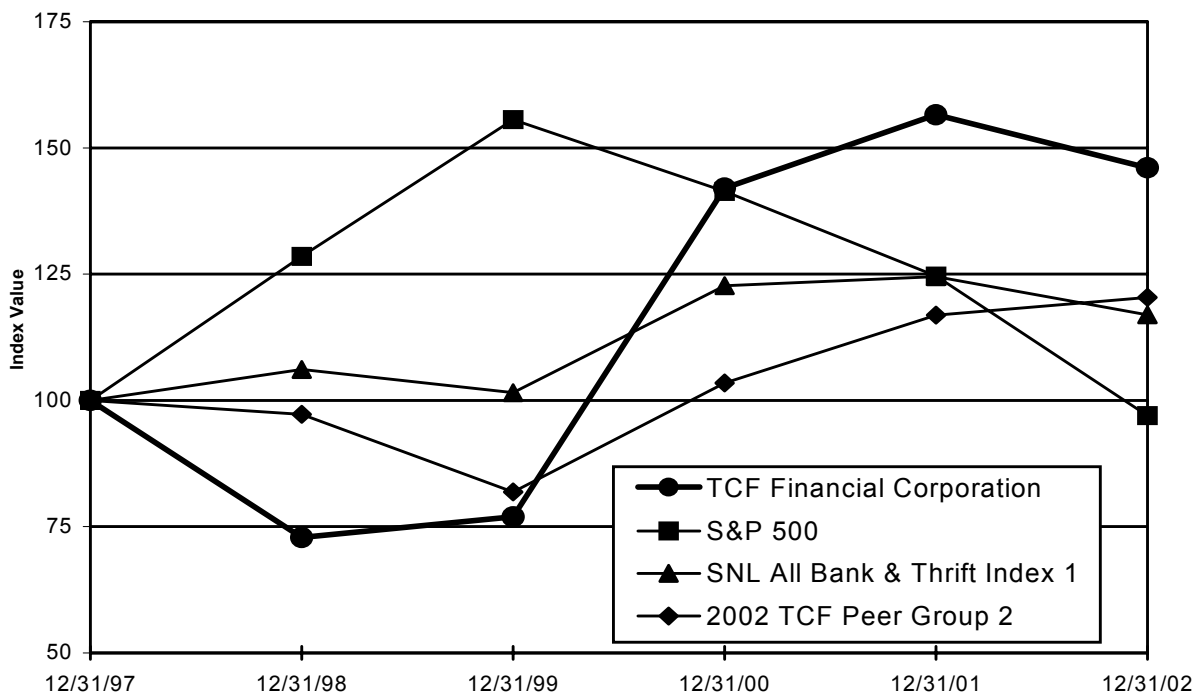

Committee Membership. The Committee members are not, and never have been, executive officers of TCF Financial. All Committee members are non-employee directors.

TCF Financial also provides change in control protection for executives in the event of a change in control and provides various perquisites. Following is a more detailed description of TCF Financial’s benefit plans that are provided to executive officers, including the named executives. In the following description, “TCF” refers to TCF Financial and all affiliated companies.

TCF Employees Stock Purchase Plan (“ESPP”)

- The ESPP is a combination of a 401-(k) plan and an employee stock ownership plan (“ESOP”) and is sometimes referred to as a “KSOP.” Under the ESPP, eligible employees are allowed to make contributions by salary reduction of up to 50% of their salary and incentive compensation on a tax-deferred basis pursuant to Section 401(k) of the Code. Contributions of employees defined by the Code as “highly compensated” are limited to 6% of salary and incentive compensation, however. TCF matches the contributions of all employees at the rate of 50 cents per dollar, with a maximum employer matching contribution of 3% of covered pay. Employee contributions vest immediately, while the Company’s matching contributions are subject to a graduated vesting schedule of twenty percent per year of service.
- Employee contributions and matching contributions are invested 100% in TCF Financial Stock Fund, except that employees age 50 and older may diversify their accounts into other available investments. The participant may elect to have dividends paid on TCF Stock held by the TCF Financial Stock Fund reinvested or paid directly to the participant.
- The benefit upon termination of employment is the vested balance in the account, distributed as TCF shares or cash as elected by the participant.

ESPP SERP

- The named executives participate in a Supplemental Employee Retirement Plan (“SERP”) related to the ESPP.
- The SERP provides the same benefits as the ESPP, except on compensation or benefits which exceed certain limits for that plan under the Code. Assets are deemed to be invested 100% in TCF Stock.

Total ESPP - Related Benefits

- The total value of account balances under the ESPP and its related SERP for the named executives as of December 31, 2002, were as follows: Mr. Cooper, \$6,012,819; Mr. Nagorske, \$2,032,006; Mr. Pulles, \$1,691,417; Mr. Winslow, \$1,513,291; and Mr. Brown, \$195,596.

Pension Benefits

Cash Balance Plan (since 1990)

- Under the TCF Cash Balance Plan, monthly payments are credited to retirement accounts of eligible employees in amounts ranging from 2.5% to 7.5% of their covered pay, depending on age and length of service with TCF.

- Retirement accounts are credited monthly with interest payments which are tied to 10-year U.S. Government Bonds.
- The benefit amount upon termination of employment is the vested balance of the account, paid in a lump sum or in other permitted forms of payment.

Pre-1990 Pension Plan

- Prior to September 1, 1990, TCF's pension plan was based on various formulas.
- Benefits earned under this prior pension plan were frozen as of September 1, 1990.
- For employees who were with TCF before September 1, 1990, any benefit accrued under this prior pension plan is provided by a group annuity contract with an independent insurance company.

Pension SERP

- The named executives participate in a SERP related to the Cash Balance Plan and, except Mr. Brown, the Pre-1990 Pension Plan.
- The SERP provides benefits based on the Cash Balance Plan and the Pre-1990 Pension Plan but with respect to compensation and/or benefits which exceed certain limits for those plans under the Code.

Total Pension-Related Benefits

- The total annual annuity benefit (single life annuity form) under these three pension plans for the named executives accrued through December 31, 2002, and payable at normal retirement age (age 65) is as follows: Mr. Cooper, \$174,751; Mr. Nagorske, \$100,774; Mr. Pulles, \$68,802; Mr. Winslow, \$53,104; and Mr. Brown, \$18,517. If the executives continued with TCF Financial until age 65 at their current compensation levels, their total projected annual annuity benefit (single life annuity form) under these plans would be: Mr. Cooper, \$258,390; Mr. Nagorske, \$318,596; Mr. Pulles, \$144,665; Mr. Winslow, \$122,932; Mr. Brown, \$153,739.

Deferred Compensation Plans

- TCF has deferred compensation plans that allow eligible executives and senior officers to defer payment of up to 100% of their base salary and bonus as well as grants of restricted stock.
- The plans are known as the TCF Financial Executive Deferred Compensation Plan, the TCF Senior Officer Deferred Compensation Plan and the Winthrop Resources Corporation Deferred Compensation Plan.
- There are no Company contributions to these plans, other than payment of administrative expenses.
- Deferred amounts are credited to deferred compensation accounts along with the earnings and losses of the selected investments. Dividends on certain deferred stock awards are paid out to the executives at the time the dividend is paid, pursuant to the executive's election.
- Available investments include TCF Stock and other publicly traded stocks and bonds.
- Distributions from the plans are paid out after termination of employment over no more than 15 years and, in some cases, in lump sum form.
- TCF Financial has established trust funds to accumulate assets for payment of liabilities.
- In May of 2002, certain loans from TCF Financial to accounts in the Executive Deferred Compensation Plan were paid off and the Plan was amended to no longer allow leveraging.
- Account balances of the named executives in the Executive Deferred Compensation Plan on December 31, 2002 were as follows: Mr. Cooper – \$45,618,084; Mr. Nagorske – \$17,273,354; Mr. Pulles – \$7,024,935; Mr. Winslow – \$9,368,130; and Mr. Brown – \$6,786,799. These amounts include shares of TCF Stock which are not currently part of the account's distributable balance because they are unvested restricted stock awards. At December 31, 2002, accounts in all three deferred compensation plans combined held 3,712,989 shares of TCF Stock valued at \$162,220,508.
- In 2002 the Executive and Senior Officer Deferred Compensation Plan were amended to allow distribution of TCF Stock dividend-based payments to plan participants who have deemed TCF Stock as an investment.

Payments in the Event of a Change in Control

- Mr. Cooper and the other four named executives are entitled to severance payments and vesting of stock grants and options if their employment is terminated due to a change in control.
- Mr. Cooper is entitled to the following payments if he is terminated without cause, or if he terminates employment for any reason, within 24 months after a change in control:
 - A cash payment equal to three times his base salary and three times the average of his last three years bonus payments and continuation of life insurance coverage for three years.

- A non-cash benefit in the form of vesting of all unvested stock grants and options. Vesting of stock grants and options occurs upon a change in control, regardless of whether or not Mr. Cooper's employment is terminated.
- If Mr. Cooper becomes subject to an excise tax under Code section 280G, he is entitled to receive reimbursement for this tax and additional sums to make up for any resulting additional tax amounts so that there is no net cost to him from the excise tax ("excise tax cost reimbursement").
- The other four named executives have severance contracts under which they are entitled to the following severance payments if they are terminated or if they terminate employment for "good reason" within 18 months after a change in control:
 - A cash payment equal to two times their annual salary and bonus.
 - A non-cash benefit in the form of vesting of all unvested stock grants and options. Vesting of stock grants and options occurs upon a change in control, regardless of whether or not the executive's employment is terminated.
 - If the executive becomes subject to an excise tax under Code section 280G, he is entitled to receive excise tax cost reimbursement.
- If the named executives with severance contracts terminated employment effective February 1, 2003 due to a change in control, the following pre-tax amounts would be paid: (1) Cash benefit – Mr. Cooper, \$6,300,000; Mr. Nagorske, \$2,493,333; Mr. Pulles, \$1,750,667; Mr. Winslow, \$1,846,667; and Mr. Brown, \$1,533,333. (2) Non-cash: vesting of restricted stock and performance-based stock awards – Mr. Cooper, 300,030 shares; Mr. Nagorske, 175,020 shares; Mr. Pulles, 75,030 shares; Mr. Winslow, 66,420 shares; and Mr. Brown, 75,000 shares; and (3) excise tax cost reimbursement. The non-cash value received by the named executives would depend on the market price of TCF Stock at the time of vesting and the net value received by executives for both cash and non-cash amounts would be substantially reduced by the payment of income taxes.

What are the Provisions of the Chief Executive Officer's Employment Agreement?

- TCF Financial and William A. Cooper signed an employment agreement effective July 1, 1996.
- The agreement was for an original term through December 31, 2000 with an annual renewal of the three-year term on each January 1st.
- Mr. Cooper's minimum base pay is \$700,000.
- If Mr. Cooper is terminated "without cause" or leaves for "good reason" he is entitled to receive his salary and bonus for three years in addition to receiving a lump sum payment for the value of any stock options or stock grants forfeited and continuation of disability and life insurance and medical/dental benefits for three years.
- If Mr. Cooper is terminated with "cause" or voluntarily leaves without "good reason," he cannot compete against TCF Financial for one year. This does not apply if a change in control occurs.
- In lieu of the termination compensation provided for under his contract, Mr. Cooper is entitled to severance pay if a change in control occurs (see previous section).

Indemnification Rights.

Indemnification rights are provided to the named executives under TCF Financial's Articles of Incorporation and Bylaws to the extent allowed under Delaware General Corporation Law.

**ITEM 2: APPROVAL OF TCF FINANCIAL'S APPOINTMENT OF
INDEPENDENT PUBLIC ACCOUNTANTS**

The Audit Committee has appointed the firm of KPMG LLP, independent public accountants, to audit the financial statements of TCF Financial and its subsidiaries for the fiscal year ending December 31, 2003.

A proposal to approve the appointment of KPMG LLP will be presented to the stockholders at the Annual Meeting. Pursuant to the Sarbanes-Oxley Act of 2002, however, the Audit Committee's appointment of KPMG LLP is not contingent upon obtaining shareholder approval. In the event of a negative vote by shareholders, the Committee will take such vote into consideration in determining whether to continue to retain KPMG LLP. Representatives of KPMG are expected to be present at the Annual Meeting and to be available to respond to appropriate questions. The representatives will also be provided an opportunity to make a statement, if they so desire.

What is the Board's Recommendation on Voting on This Agenda Item? The Board unanimously recommends that TCF Financial shareholders vote "For" approving the appointment of KPMG LLP.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the audited financial statements with management; received written disclosures and the letter from our independent accountants, KPMG LLP ("KPMG"), required by Independence Standards Board Standard No. 1, as modified or supplemented; and discussed with the independent auditors, KPMG, the auditors' independence. The Audit Committee also discussed with KPMG the matters required by Statement on Auditing Standards No. 61, *Communication with Audit Committees*.

Based on the review and discussions above, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the TCF Financial Corporation Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission.

Fees paid to our independent public accountant, KPMG, for the years ended December 31, 2001 and 2002, are as follows:

	<u>2001</u>	<u>2002</u>
Audit Fees	\$ 690,950	\$ 721,000
Audit Related Fees (1)	\$ 31,200	\$ 28,400
Tax Fees (2)	\$ 268,050	\$ 317,190
All Other Fees (3)	\$ 29,850	\$ 0
TOTAL	<u>\$1,020,050</u>	<u>\$1,066,590</u>

- (1) Audit Related Fees were primarily due to employee benefit plan audits and the issuance of collateral letters.
- (2) Tax Fees include tax consultation and tax compliance services.
- (3) All other fees during 2001 were due to consulting on security and forensic matters.

Following the passage of the Sarbanes-Oxley Act of 2002, all engagements with KPMG were pre-approved by the Audit Committee.

The Audit Committee has considered all fees for non-audit services to be compatible with maintaining the auditors' independence.

The Board of Directors has adopted a written charter for the Audit Committee, which was amended on January 21, 2002 and again on October 21, 2002. A copy of the charter, as revised, is attached as Appendix A to this Proxy Statement. Changes were made to the charter due to proposed corporate governance standards to be codified in new section 303A of the New York Stock Exchange Listed Company Manual and to the passage of the Sarbanes-Oxley Act of 2002.

As is documented in section IV of the Audit Committee charter in Appendix A, the Audit Committee is responsible for pre-approving all audit and non-audit services. In the event that approval is required prior to a regularly scheduled Audit Committee meeting, the Audit Committee Chairman is authorized to pre-approve audit and non-audit services, provided the aggregate fees for the services approved by the Chairman since the prior Committee approvals shall not exceed \$250,000. Any services pre-approved by the Chairman will be reported to the full Audit Committee at its next scheduled meeting.

Each member of the Audit Committee is independent, as independence is defined in Sections 303.01 (B)(2)(a) and (3) of the listing standards of the New York Stock Exchange.

Robert E. Evans
Luella G. Goldberg

APPENDIX A

TCF FINANCIAL CORPORATION BOARD OF DIRECTORS AUDIT COMMITTEE CHARTER

Adopted January 24, 2000 and Revised October 21, 2002

I. INTRODUCTION AND PURPOSE

TCF Financial Corporation (the "Company") is a publicly-held company and operates in a complex, dynamic, highly competitive, and regulated environment. In order to assure the kind of informed decision-making beneficial to the Company and its stockholders, much of the Board's oversight occurs through the standing committees of the Board, such as the Audit Committee. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its fiduciary responsibilities by overseeing the Company's financial reporting and public disclosure activities. The Audit Committee's primary duties and responsibilities are to:

- A. Assist Board oversight of (1) the integrity of the Company's financial statements, (2) the Company's compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence, and (4) the performance of the Company's internal audit function and independent auditors.
- B. Prepare the report that Securities and Exchange Commission (SEC) rules require to be included in the Company's annual proxy statement.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities specified in Section IV of this Charter.

The Audit Committee, in its capacity as a committee of the Board of Directors, shall be directly responsible for the appointment, compensation, and oversight of the work of any independent auditor employed by the Company (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work, and each such independent auditor shall report directly to the Audit Committee.

The Audit Committee shall have the authority to retain, without prior permission from the Board or management, special legal, accounting or other consultants to advise the Committee. The Company shall provide for appropriate funding, as determined by the Audit Committee, in its capacity as a committee of the Board of Directors, for payment of compensation to any advisors employed by the Committee. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

II. COMPOSITION

The members of the Audit Committee shall be elected by the Board at the annual organizational meeting of the Board and shall serve until their successors shall be duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Audit Committee may designate a Chair by majority vote of the full Audit Committee membership.

A. Independence

The Audit Committee shall be comprised of three or more Directors each of whom shall have been affirmatively determined by the Board to be independent Directors as defined by the SEC, the New York Stock Exchange (NYSE) and by the Federal Deposit Insurance Corporation (FDIC).

B. Financial Literacy and Expertise

Each member of the Audit Committee shall be financially literate, as such qualification is interpreted by the Company's Board of Directors in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Audit Committee. At least one member of the Audit Committee shall be a "Financial Expert" as defined by the SEC. (If the Company does not have a "Financial Expert" on the Audit Committee it shall disclose that fact and the reasons therefore). At least one member of the Audit Committee shall have accounting or related financial management expertise as defined by the NYSE. At least two members of the Audit Committee shall have banking or related financial management expertise as defined by the FDIC. These determinations shall be made by the Board of Directors.

III. MEETINGS

The Audit Committee shall meet at least four times annually, or more frequently as circumstances dictate. One of those meetings shall focus on review and approval of annual financial statements and related information. To the extent practicable, each of the Audit Committee members shall attend each of the regularly scheduled meetings in person.

A majority of the Audit Committee members currently holding office constitutes a quorum for the transaction of business. The Audit Committee shall take action by the affirmative vote of a majority of the Audit Committee members present at a duly held meeting.

IV. RESPONSIBILITIES AND DUTIES

The Audit Committee shall undertake the following responsibilities and duties.

- A. Retain and terminate the Company's independent auditors (subject, if applicable, to shareholder ratification) and pre-approve all audit and non-audit services. In the event that approval is required prior to a regularly scheduled Audit Committee meeting, the Audit Committee Chairman is authorized to pre-approve audit and non-audit services, provided the aggregate fees for the services approved by the Chairman since the prior Committee approvals shall not exceed \$250,000. Any services pre-approved by the Chairman will be reported to the full Audit Committee at its next scheduled meeting.
- B. At least annually, obtain and review a report by the independent auditor describing: the firm's internal quality-control procedures; any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (to assess the auditor's independence) all relationships between the independent auditor and the Company.
- C. Discuss the annual audited financial statements and quarterly financial statements with management and the independent auditor, including the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations."
- D. Review major changes to the Company's accounting principles and practices, financial reporting process, and system of internal controls, as suggested by the Company's independent auditor, management, or the internal auditing department.
- E. Discuss earnings press releases, as well as financial information provided to analysts and rating agencies. The discussion may be general in nature (i.e., discussion of the types of information to be disclosed and the type of presentation to be made) and need not discuss in advance each earnings release.
- F. As appropriate, obtain advice and assistance from outside legal, accounting or other advisors.
- G. Discuss policies with respect to risk assessment and risk management.
- H. Meet separately, periodically, with management and with internal auditors.

- I. Periodically consult with the independent auditor, outside the presence of management, about the auditor's judgements about the quality, and not just the acceptability, of the Company's accounting principles as applied to its financial reporting, and the Company's internal controls and the completeness and accuracy of the Company's financial statements.
- J. Review with the independent auditor any audit problems or difficulties and management's response.
- K. Monitor compliance with Audit Committee approved policies regarding the hiring of employees or former employees of the independent auditors.
- L. Report regularly to the Board of Directors.
- M. Conduct an annual performance evaluation of the Audit Committee.
- N. Ensure appropriate procedures are established and maintained:
 - to permit the Audit Committee to monitor the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters; and
 - to permit the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters to the Audit Committee.
- O. Review the significant findings from supervisory examination reports of state and federal agencies and the corrective action taken by management to such reports.
- P. Review the significant recommendations made to management by the internal auditing department and management's responses.
- Q. Review the budget, plan, changes in plan, activities, organizational structure and qualifications of the internal audit department, as needed.
- R. Review the appointment, performance and replacement of the director of internal auditing.
- S. Review management's determination of the adequacy of the consolidated allowance for loan and lease loss reserves.

V. Qualification

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty or responsibility of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. These are the responsibilities of Company management and the independent auditor. Nor is it the duty or responsibility of the Audit Committee to conduct investigations or to assure compliance with laws and regulations.
