

Our Mission

TCF strives to consistently deliver superior performance by providing the essential means to enhance the rhythm of customers' lives and help them achieve their goals. Unified by the passion to act as an ally of our customers, we lend prudently in diverse, niche segments and fund these assets through core deposits, both generated through a great customer experience within our communities.

Our Vision

We will be a sound, well-capitalized, principled bank that gathers core deposits and lends under the fundamental concept of diversification that enables us to consistently achieve superior returns for our employees, customers and shareholders.

Our Values

Lead with integrity

Be nimble

Build relationships

Be prudent

Create opportunities

Win as a passionate team

Executive Management

Craig R. Dahl

Craig R. Dahl is chief executive officer, president and vice chairman of TCF Financial Corporation. In this role, he directly oversees all aspects of the Company's operations except for the indirect responsibilities that he has over TCF's risk and internal audit functions. In his previous role as president, he oversaw TCF's consumer and commercial businesses, including Retail Banking, Commercial Banking, Retail Lending, TCF Equipment Finance, TCF Inventory Finance, Gateway One Lending & Finance and Winthrop Resources. In addition, he was responsible for the Operations and Information Technology functions of the corporation. Previously, he served as executive vice president of the corporation and oversaw TCF's Commercial Banking business and its portfolio of national lending businesses. Mr. Dahl joined TCF in 1999 as president and chief executive officer of TCF Equipment Finance, Inc.

Prior to joining TCF, Mr. Dahl was with affiliate companies of Norwest Corporation for 22 years.

Mr. Dahl holds a bachelor's degree in political economics from Princeton University and is a native of International Falls, Minnesota.

Thomas F. Jasper

Thomas F. Jasper is chief operating officer and vice chairman of TCF Financial Corporation. He oversees TCF's functional support areas, including finance, operations, corporate development, legal, human resources, talent management and investor relations. Previously, he served as executive vice president and was responsible for TCF's Retail Banking, Commercial Banking and Retail Lending businesses. He also served as the corporation's chief financial officer. Mr. Jasper joined TCF in 2001 as senior vice president and chief financial officer of TCF Equipment Finance, Inc.

Prior to joining TCF, Mr. Jasper was a senior manager in the assurance practice at KPMG LLP.

A graduate of St. John's University, Collegeville, Minnesota, Mr. Jasper holds a bachelor's degree in accounting and is a graduate of the ABA Stonier Graduate School of Banking.

Mr. Jasper is a member of the Young Presidents' Organization (YPO). He previously served as board chair for CommonBond Communities and as a director on the board of Friends of Education.

Michael S. Jones

Michael S. Jones is executive vice president, consumer banking for TCF Financial Corporation. He oversees all consumer-facing business lines, including Retail Banking, Gateway One Lending & Finance and Retail Lending. Previously, he served as the corporation's chief financial officer and oversaw the financial reporting, corporate development and legal functions. He also held several senior executive roles within TCF, including executive vice president and chief financial officer of TCF Equipment Finance, Inc. and executive vice president of Winthrop Resources Corporation.

Prior to joining TCF in 2008, Mr. Jones led the finance function for PACCAR Financial Services. He has also held several positions for GE Capital including chief financial officer of GE Real Estate – Business Property and global controller for GE Commercial Finance – Fleet Services.

Mr. Jones received his bachelor's degree from Transylvania University in Lexington, Kentucky, and is a certified public accountant.

He serves on the Board of Directors of several corporate and civic organizations, including Blue Cross and Blue Shield of Minnesota, Friends of Education and Academy of Holy Angels.

Executive Management (continued)

William S. Henak

William S. Henak is executive vice president, wholesale banking for TCF Financial Corporation. He oversees the equipment finance and leasing, inventory finance, and commercial banking business units. Previously, Mr. Henak served as president and chief executive officer of TCF Equipment Finance (TCFEF).

Mr. Henak has several decades of expertise and leadership in equipment leasing, commercial lending and financing, corporate equity and accounting. Prior to joining TCF Equipment Finance, Mr. Henak founded First Commercial Capital Corp, a general equipment leasing company, which was acquired by TCFFEF in 2000. Mr. Henak also served as executive vice president of Computer Leasing, Inc. Prior to entering the equipment finance industry, he was a certified public accountant.

A graduate of Wartburg College, Mr. Henak holds a bachelor of arts degree in accounting, finance and management. He is also a certified public accountant.

James M. Costa

James M. Costa is chief risk officer and chief credit officer of TCF Financial Corporation overseeing all aspects of TCF's risk function. He reports directly to the chair of TCF's Risk Committee of the Board of Directors. Mr. Costa joined TCF in 2013.

Mr. Costa brings with him over 20 years of financial services experience, with 15 years in risk management. He most recently served as executive vice president of risk and head of enterprise portfolio management at PNC Financial Services Group, Inc. Prior to PNC, Mr. Costa led enterprise credit strategy for Wachovia Corporation.

A graduate of Ohio State University, Mr. Costa holds a BSBA degree in Economics. He further conducted his doctoral studies at the University of Minnesota where he was an adjunct professor of finance and economics.

Brian W. Maass

Brian W. Maass is chief financial officer for TCF Financial Corporation. He oversees all aspects of financial reporting, planning and analysis and treasury management. Previously, Mr. Maass served as executive vice president and treasurer of TCF National Bank as well as treasurer and chief investment officer of the corporation.

Prior to joining TCF in 2012, Mr. Maass held several accounting and leadership positions at Wells Fargo & Co. focused on funding, liquidity, collateral management and portfolio management for the bank and holding company. Mr. Maass was also a manager in the Corporate Controllers Group. Prior to joining Wells Fargo in 2000, he was a manager at Crowne Horwath LLP within its Banking and Financial Services Group.

Mr. Maass received his bachelor's degree in accounting from Northern Illinois University and a master's in business administration from the University of St. Thomas. He is a certified public accountant.

Thomas J. Butterfield

Thomas J. Butterfield is chief information officer of TCF Financial Corporation, overseeing the enterprise information technology function, including infrastructure, service delivery and application development. Mr. Butterfield joined TCF in 2015.

Mr. Butterfield brings to TCF more than two decades of leadership in technology strategy across multiple industries. Most recently, Mr. Butterfield served as senior vice president, technology strategy and business solutions for Target Corporation. He also held several additional IT leadership positions during his eight-year tenure with the company. Prior to his roles at Target, he held several senior technology positions with UnitedHealth Group, Deluxe Corporation, First Bank Corporate Payment Systems, Norwest Bank Card Services and Blue Cross and Blue Shield of Iowa.

Mr. Butterfield holds a masters in business administration from Drake University and a computer science degree from the University of Iowa. Mr. Butterfield is active in the Minneapolis community and currently serves as board chair for Second Harvest Heartland, the nation's leading food bank and member of the Feeding America network.

Andrew J. Jackson

Andrew J. Jackson is chief audit executive of TCF Financial Corporation. He is responsible for leading all aspects of the company's internal auditing practices. He reports directly to the Risk committee of TCF's board of directors. Prior to joining TCF in 2012, Mr. Jackson was chief audit executive of First Horizon National Corporation.

Mr. Jackson Holds a bachelor's degree in accounting from the City University of New York- Brooklyn College and is a graduate of Pace University Graduate school. Mr. Jackson is a certified internal auditor (CIA) and a certified information systems auditor (CISA).

Mr. Jackson is currently a member of the Financial Services Advisory Board of the Institute of Internal Auditors (IIA) and the Financial Services Conference Board. He is also a member of the Mid-Size Bank Coalition's Chief Auditor's Group.

Corporate History

- 1923** Twin City Building and Loan Association begins business
- 1936** Granted federal charter, became Twin City Federal Savings and Loan Association

Profile:

TCF is a Wayzata, Minnesota-based national bank holding company. As of December 31, 2016, TCF had \$21.4 billion in total assets and 339 branches in Illinois, Minnesota, Michigan, Colorado, Wisconsin, Arizona and South Dakota, providing retail and commercial banking services. TCF, through its subsidiaries, also conducts commercial leasing, equipment finance, and auto finance business in all 50 states and commercial inventory finance business in all 50 states and Canada.

Strategic Pillars

- 1 **Diversification** – Focus on national versus footprint lending increases quality and diversification of portfolio
- 2 **Profitable Growth** – Strong origination and loan sale capabilities drive loan growth and revenue diversification with a continued high net interest margin
- 3 **Operating Leverage** – Focus on improving operating leverage following recent build-out of key functions
- 4 **Core Funding** – Maintain sufficient funding sources to support loan and lease growth

Execution under a strong enterprise risk management and credit culture

Leasing and equipment finance continue to be an important revenue source for TCF and consists of TCF Equipment Finance, a division of TCF National Bank, and Winthrop Resources Corporation. These companies, with their combined stable portfolio, are the 15th largest bank-affiliated equipment finance company in the U.S. in asset size¹ and provide the foundation of TCF's national lending businesses. Through their diversified marketing and sales strategy, they cover a broad range of the major equipment sectors for lease and loan financing primarily throughout the United States. Over the last 12 months, the combined companies grew the portfolio \$358.8 million, or 8.6%.

TCF Equipment Finance, a division of TCF National Bank (TCFEF) headquartered in Minnetonka, Minnesota, was established in 1999 and provides a full array of finance products nationwide to numerous industry segments, including: agriculture, commercial marine, construction and environmental services, discounting, franchise, golf, healthcare, manufacturing, municipalities, specialty vehicles, syndications and transportation. TCFEF offers financing solutions to companies through programs with vendors and manufacturers as well as to customers direct. Through its Capital Markets team, TCFEF has acquired selected portfolios as part of its strategic plan for growth. Consistently strong performance in new business origination, portfolio performance, and net income levels has been a hallmark for TCFEF. The leadership is focused on continuing its culture of excellence and growth by developing its team members, investing in systems and process improvements, growing its core business, and expanding into new markets, segments, and products. Recognized as one of the premier equipment finance companies in the United States with 55 sales and regional offices nationwide, this division continues to achieve record growth. TCFEF has been previously named to the Star Tribune "Top Workplaces" — a list of the 100 best places to work in the Minneapolis/St. Paul metro area.

Winthrop Resources Corporation, established in 1982 and acquired by TCF in 1997, focuses on providing customized, technology lease financing to mid-size and larger companies across a wide array of industries including healthcare, higher education, professional services and retail. Acquiring Fidelity National Capital Inc. in 2009, Winthrop added Professional Services and a Bank Marketing Partner Program to its product offering. Today, beyond financing hardware, equipment, services and software, Winthrop's knowledgeable and experienced teams also serve a growing client base with ancillary services including complete asset lifecycle management and leased equipment tracking through the web-based TRACtion tool. In 2010, Winthrop earned the Equipment Leasing and Finance Association's Operations and Technology

Excellence Award for the development and implementation of a robust technical platform capable of handling over a million leased assets and several thousand customers. Since 2011, Winthrop has been annually recognized as HFMA (Healthcare Financial Management Association) Peer Reviewed — a designation held in the highest regard by hospital CFOs and is based on effectiveness, quality and usability, price, value, and customer and technical support.

Established in 2008, **TCF Inventory Finance (TCFIF)** ended 2016 with \$2.5 billion of portfolio assets. TCFIF provides floorplan financing, principally for dealers of consumer products. The operation is focused on establishing relationships with distributors, dealer buying groups, and manufacturers, giving access to thousands of independent powersports, lawn and garden, electronics and appliance, recreational vehicles, marine and specialty vehicle retailers. As of December 31, 2016, TCFIF had indirect credit lines with more than 300 manufacturers / buying groups and direct credit lines with more than 10,800 active dealers in the United States and Canada.

TCFIF is managed by an experienced team of over 200 employees. The operation’s executive management team is comprised of inventory finance veterans averaging over 38 years of industry experience. Headquarters is located in Schaumburg, Illinois with offices in Alpharetta, Georgia; Bloomington, Minnesota; Oakville, Ontario, Canada; and Montreal, Quebec, Canada.

Since opening its doors eight years ago, TCFIF has increasingly gained market share in the industries served and continues to steadily add to its ever-growing customer base. TCFIF has been successful in developing long-term agreements to provide inventory financing on an exclusive basis to manufacturers that need liquidity in their distribution channels to facilitate uninterrupted movement of product shipments. TCFIF also has dedicated sales team focused on fulfilling inventory financing needs to dealers in industries that are not conducive to exclusive program

financing opportunities. During the second quarter of 2015, TCFIF announced a multi-year program with Ariens to be the exclusive financing provider for its portfolio of lawn and garden equipment; the program started during the third quarter of 2015 and continues to ramp up as Ariens ships new product financed by TCFIF. During the second quarter of 2016, BraunAbility announced the newly formed inventory finance program with TCFIF for their dealers in the U.S. and Canada. BraunAbility manufactures commercial wheelchair lifts and commercial wheelchair vehicles. During the fourth quarter of 2016, the Red Iron joint venture agreement with Toro was extended to October 2024.

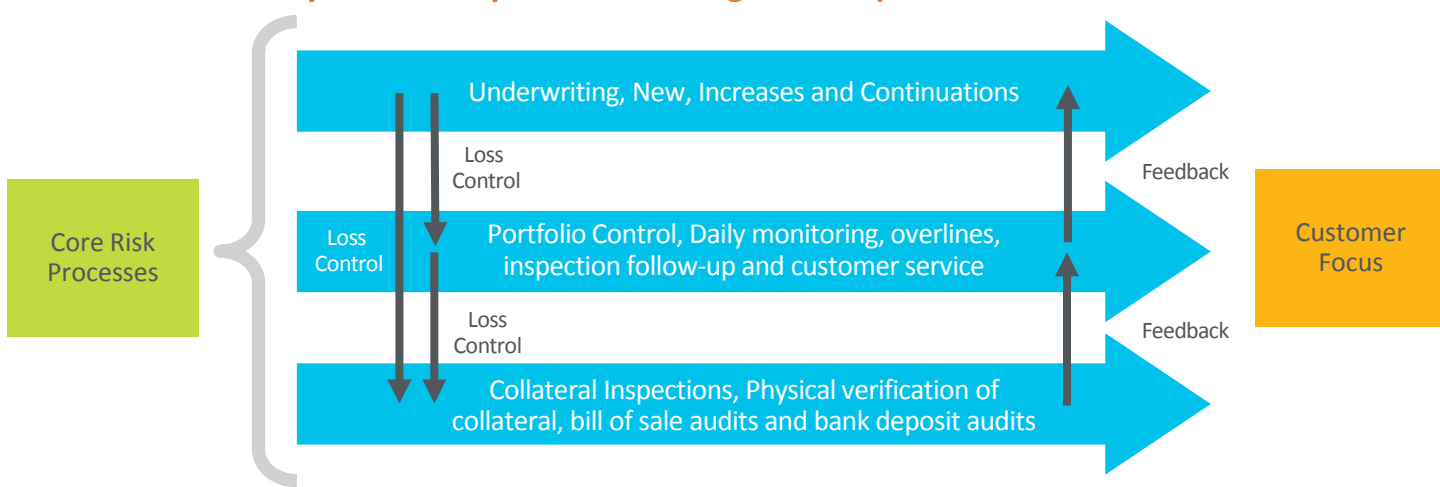

In 2012, TCFIF rolled-out “The Customer First Alliance” to TCFIF’s dealers, distributors and manufacturers. The Customer First Alliance is a network of third-party service providers that is designed to offer cost-effective, tailored business and personal advisory services in Accounting, Insurance, Legal and Wealth Management to TCFIF customers. All Alliance services are provided by third-party service providers who are not affiliated with TCFIF.

Losses minimized by three independent but aligned risk processes

Acquired in November 2011, **Gateway One Lending & Finance, LLC** (“Gateway”) originates and services new and used auto loans. The operation is focused on establishing relationships with franchised and independent auto dealerships. During the fourth quarter of 2016, Gateway utilized its network of more than 11,400 dealer relationships throughout all 50 states to originate \$860 million of auto loans.

Headquartered in Anaheim, California, Gateway also has offices in Alpharetta, Georgia; Lawrenceville, New Jersey; Naperville, Illinois; Tampa Bay, Florida; and Rocklin, California. Gateway provides an incremental source of loan originations and fee revenue.

As a part of the acquisition, TCF retained Gateway’s seasoned executive management team, which has significant experience and a successful track record in national retail auto lending. Gateway currently has a team of over 990 employees.

Gateway is currently focused on originating two to three loans per dealer per month, which creates strong diversification regionally and less reliance on any one particular dealer in the

network. Gateway’s conservative underwriting philosophy to prime and near prime customers focuses on ability to pay, financial stability and credit worthiness.
