RE: TCF Financial Incentive Stock Program

Ladies and Gentlemen:

This opinion is furnished in connection with the Registration Statement on Form S-8 (the “Registration Statement”), which is being filed today with the Securities and Exchange Commission by TCF Financial Corporation (the “Company”) covering an additional 2,000,000 shares of common stock par value $.01 per share (the “Common Stock”), to be awarded under the TCF Financial Incentive Stock Program (hereinafter referred to as the “Program”). These shares are in addition to the shares previously registered with the Securities and Exchange Commission for this Program.

I am the General Counsel of the Company. As such, I have examined the Company’s Certificate of Incorporation, Bylaws, the Program and such other corporate records and documents as I have considered relevant and necessary for the purpose of this opinion. In my examination, I have assumed the genuineness of all signatures (other than the signatures on behalf of the Company), the legal capacity of natural persons, the authenticity of all documents submitted to me as originals, and the conformity to originals of all documents submitted to me as copies of originals and the authenticity of the originals of such copies. I have participated in the preparation and filing of the Registration Statement. In addition, I am familiar with the proceedings taken or to be taken by the Company with respect to the authorization and proposed issuance of shares of Common Stock pursuant to the Program as contemplated by the Registration Statement and have made such further investigation as I have deemed necessary or appropriate in connection with this opinion. I have assumed that all of the shares of Common Stock covered by the Registration Statement will be issued for the consideration permitted under the Program as currently in effect.

Based on the foregoing, I am of the opinion that: the Company has been duly incorporated and is validly existing and in good standing
under the laws of the State of Delaware; the Company has corporate authority to issue the shares of Common Stock covered by the Registration Statement; and the 2,000,000 shares of Common Stock proposed to be allocated to the Program described in the Registration Statement will, when issued pursuant to the terms of the Program, be duly and validly issued, fully paid and non-assessable.

My opinion set forth above is limited to the General Corporation Law of the State of Delaware and the federal securities laws, each as in effect on the date hereof. I assume no obligation to supplement this opinion if any applicable law changes after the date hereof or if I become aware of any fact that might change the opinion expressed herein after the date hereof.

I hereby consent to the filing of my opinion as Exhibit 5 to the Form S-8 Registration Statement filed by the Company to effect registration of Common Stock under the Securities Act of 1933, as amended (the “Securities Act”). In giving such consent, I do not thereby admit that I come within the category of persons whose consent is required under Section 7 of the Securities Act or the rules or regulations of the Securities and Exchange Commission thereunder.

Sincerely,

/s/ Joseph T. Green
