Dear []

Attached is our official press release announcing a merger of equals between TCF and Chemical Bank of Detroit. The combination of our two highly complementary organizations will create the premier Midwest bank with immediate scale to compete in an expanded market footprint and accelerate value creation for customers, employees and shareholders. Completion of this merger is subject to the customary regulatory approvals as well as a ratification vote by shareholders of both companies. We expect the transaction to finalize once all necessary conditions to closing have been satisfied. In the meantime, it's business as usual for TCF and our steadfast commitment to partner with and serve you remains unchanged. We invite you to visit the web site created to provide additional information on this merger of equals at premiermidwestbank.com.

We are extremely excited about our future together and we look forward to expanding our relationship with you.

Feel free to contact me directly with any questions or comments you may have.
